

SFS Online – how to access the SFS standard database at JAMK

JAMK Library's user rights to SFS standards are the most extensive in the Central Finland region, covering all ICS groups as well as some ISO standards.

Access SFS Online via Janet link: <https://janet.finna.fi/Record/jamk.993187864806251?lng=en-gb>

The use of SFS standards on campus, for JAMK students

When using JAMK's fixed internal student network on JAMK's campuses, access SFS Online using Janet link: **JAMKin verkossa – On Campus**

The use of SFS standards off campus, for JAMK students

Outside JAMK's campuses, use SFS Online via the link **Etäkäyttö – Off Campus** found on Janet. Use Haka login. Choose Jyväskylä University of Applied Sciences as your home organization and then log in with your JAMK ID.

The standards are DRM protected files in PDF format. You need to install Adobe Reader and the FileOpen plug-in to your computer. **Open the standard file with Adobe Reader after you have downloaded it.** For further information, go <https://sales.sfs.fi/en/index/guidelines/standardsanddrm.html.stx>.

Restrictions for students: You can read, save, print, and copy the SFS standards both on campus and at home. When you save an SFS standard file on your computer, it is available for 12 months at a time. Maximum of eight concurrent users are allowed for ISO standards.

The use of SFS standards, for JAMK staff

Access SFS Online via the link **Etäkäyttö – Off Campus** found on Janet. Use Haka login. Choose Jyväskylä University of Applied Sciences as your home organization and then log in with your JAMK ID. You can read, save, print, and copy the standards. The FileOpen plug-in is not required.

Restriction for staff: Maximum of eight concurrent users are allowed for ISO standards.

Other customers

Customers that are neither JAMK students nor staff can read SFS Online's standards in the Library on computers reserved for information searching. The saving, printing, or copying of the standards is not allowed.
